Labour Day

September 7, 2009

Celebrate workers in our community

Every Labour Day across Ontario, we celebrate the contribution and achievements of workers in our communities.

This Labour Day, join the call to bring good jobs for all

CUPE locals and District Councils are organizing right now to ensure a strong CUPE Ontario presence in Labour Day parades, rallies and picnics across the province.

Make CUPE Visible

Your CUPE locals and District Councils will have placards and other materials to make us visible, and goodies and fun activities planned for all our kids, but we need YOUR presence there to ensure our message of *Good Jobs For All* is heard loudly and clearly.
