

Safe drinking water, public transit, neighbourhood schools, paramedics, electricity, quality child care and long term care.

These are just some of the vital services provided by Municipal Councils & School Boards.

Help elect candidates who will support public services, prevent costly privatization and build stronger and more vibrant communities.

On October 27, your vote matters. Vote for public services.

Visit cupevotes.ca for a list of endorsed candidates, ways you can get involved and much more.
