## OMERS Reference Group Application

In 2006, during the transformation of the OMERS pension plan to a Jointly Sponsored Pension Plan, CUPE Ontario established the OMERS Reference Group to advise CUPE leadership and our representatives on the OMERS Boards. The OMERS Reference Group, made up of elected sectoral leadership and pension activist plan members from across Ontario, meets a few times a year with our CUPE representatives on the Sponsors Corporation (SC) and Administration Corporation (AC) Boards. The Reference Group provides critical membership feedback, works through issues and is a critical membership accountability mechanism for our representatives on the OMERS Boards.

The CUPE Ontario Executive Board recently undertook a process to examine the structure of the OMERS Reference Group and passed revised Terms of Reference. We are now looking to refresh the membership of OMERS Reference Group under these new terms and hope that pension activists, who are also members of OMERS, will indicate their interest in being part of this group. Please fill out this application to indicate your interest in serving on the OMERS Reference Group.
