Mobilization Training for Time to Care Campaign

March 8 to 11, 2016 - Cornwall, Ontario

Following the success of the Time to Care campaign training retreat in 2015, CUPE Ontario is pleased to offer a similar member training this coming March (2016).

The training is focused on how to plan, organize and carryout Time to Care related activities in your local community.

Like the session last year, the 2016 mobilization training is intended for CUPE locals (and members) able to commit to work on the campaign, share and build organizing skills among members, and join in coordinated provincial actions throughout the year to achieve a 4 hour legislated care standard for long-term care residents.

Dates and Times:

Registration: Tuesday, March 8 at 4pm

Adjournment: Friday, March 11 at 12 pm

Location:

NAV Centre, 1950 Montreal Rd. Cornwall, ON K6H 6L2 - www.navcentre.ca

All accommodation is on site at the NAV Centre and is standard single room occupancy.
