

Saturday June 19
3:30-6:30

Join us for an informational
and strategy workshop to:

- 1) Understand the nature of
the assault on the public
sector
- 2) Respond to rhetoric that
pits workers against the
public
- 3) Explore new ways to build
unity and protect jobs and
services

BARGAINING

IN AN ERA OF WAGE RESTRAINT

Re-thinking Strategies for the Public Sector

- * What does McGuinty's "wage freeze" legislation mean for unions?*
- * How can workers fight to defend our jobs AND high-quality public services?*
- * How can we build unity among the workers who provide public services and the people who need them?*
