

# **Toronto Service Review - Take Action**

## **Phase 2 Information – Special Executive Meeting**

Special Executive Committee Meeting – **September 19, 2011**

### **What does the Executive Committee do?**

It monitors and makes recommendations on the priorities, plans, international and intergovernmental relations, and the financial integrity of the City, including:

- Council's strategic policy and priorities in setting the agenda;
- Governance policy and structure;
- Financial planning and budgeting;
- Fiscal policy including revenue and tax policies;
- Intergovernmental and international relations;
- Council and its operations;
- Human resources and labour relations; and

The Executive Committee makes recommendations or refers to another committee any matter not within the committee's mandate or that relates to more than one Standing Committee.

### **Why Should I depute at the September 19th Executive Committee meeting?**

This is another opportunity for members of the public to depute and speak up about the value and importance of the programs supported by the city grants program. Executive Committee will likely be reviewing the completed reports from the Toronto Service Review, which should include recommendations from standing committees on the community services and programs.

Sign up for the C2C mailing list to be kept informed of the recommendations that come from the Toronto Service Review.

**SAVE THE DATE** to depute to Standing Committee on September 19, 2011 and be sure to sign up to depute at least a week before the meeting:
