## HEALTH ACTION ASSEMBLY

### and Annual Conference

#### **SAFEGUARDING PUBLIC HEALTH CARE: THE FIGHT AHEAD** **Setting the Agenda to Protect & Rebuild Public Health Care**

This is a period in which the future of health care delivery in Ontario will be defined and we need to play a lead role in that shift. After the provincial election, a \$14 billion deficit and continuing corporate tax cuts threaten a new attack on public services. At the national level, the Canada Health Accord is under threat. We will review the context after the Ontario election, look ahead at the challenges and opportunities, hear reports from local health coalitions from across Ontario, and set the strategy to be a leading voice in the fight ahead.

Saturday, November 19  
10 am – 4 pm

Sunday, November 20  
9: 30 am – 1:30 pm

**Sheraton Centre, Toronto**  
123 Queen St. W.
