

MPP BUDGET LOBBY MEETING

EACH MEETING SHOULD HAVE 3 SECTIONS:

- **1. Identify your concerns** and the issue with the Ontario budget
- **2. Explain what you want** the MPP to do to amend the budget
- 3. Ask the MPP if they will support amendments to the budget and what actions they will take before the confidence budget vote

Below is the direct ask for your MPP lobby meeting.

Be sure to ask the specific questions after you have presented the issue, and recommendations.

Speak from what you know. Provide examples relevant to your life and the riding where you live.

WHAT'S THE ISSUE:

ec:cope491

My concern is that the budget will reduce access to services, and cause the loss of thousands of jobs. I am concerned that in our community this budget will result in cuts to services and longer wait lists for services that people in our community rely on.

(See Appendix "A" for a list of examples. Pick the examples you feel comfortable using.)

WHAT I WANT YOU, AS MY MPP, TO DO? want you to ask your government to change the budget so that it protects services and jobs, and if the overnment needs more revenue to do that, then I ask that you introduce tax measures aimed only at orporations and Ontario's wealthiest citizens.
