

**AUGUST 1ST BY-ELECTION**

Over the last year, the McGuinty/Wynne Liberals attacked public-sector workers, froze wages, threatened Ontario's system of fair contract arbitration and, backed by the Hudak Conservatives, passed Bill 115 to take away our democratic right to collective bargaining.

Don't reward them with your vote...

**Stand Up for Fairness**

**Vote NDP**

NDP Candidate PC Choo will deliver results and focus on creating jobs, improving public services and making government accountable.

Every gain made by CUPE and other unions has a ripple effect on the rights of other workers. Public pensions, parental leave, pay equity, vacations, health and safety laws — these are now commonplace thanks to union members.

Defend the collective bargaining rights behind these gains.
