GUIDELINES FOR LOCAL ASSISTANCE TO SECTOR CONFERENCES

CRITERIA

In order to be considered for local assistance the local must fall into one of the 4 categories:

1. Small local from the sector of less than 100 members
2. A Northern local located north of the French River or more than 500 kms from the location of the event
3. A newly organized local union currently negotiating their first collective agreement
4. A local which has been on strike or locked out within the previous year leading up to conference.

In order for a local to be considered for local assistance the following must apply:

1. With the exception of locals negotiating a first collective agreement, the local must be up to date with its CUPE Ontario Per Capita Payments
2. For purposes of this requirement - up to date shall be not more than 3 months in arrears at the time of the conference subsidy being awarded
3. The local must demonstrate an inability to pay

DEMONSTRATING INABILITY TO PAY

A local's inability to pay will be determined based on cash assets in excess of 10x the amount to send one delegate to the conference in question. For example, if it is determined that the cost to send one delegate is \$1,000.00 the local must have less than \$10,000 available to them in cash. The following process will be applied:

1. Once an application form is received, the Secretary-Treasurer will determine the cost of the local's participation based on their delegates' current day reality (location, wages, accommodation, registration fees).
2. The local will be required to demonstrate an inability to pay by submitting to the Secretary-Treasurer a recent and approved local trustees report. The local will also be required to send a copy of their bank statement which will identify cash assets.
3. Office furniture and equipments as well as property will not be considered for purposes of determining assets.
4. Special circumstances, like a pending arbitration or strike averting campaign will be considered when determining the local's inability to pay.

APPLICATION

In order to be considered for assistance to attend an event an application must be filled out and sent back to the Secretary-Treasurer by the deadline specified on the assistance form. Such form and guidelines shall be mailed with the conference call notice.

FINANCIAL ASSISTANCE

Local assistance shall be built into the conference budget using conference revenue. Assistance shall be limited to the following:

1. Assistance will normally be limited to one member per local. Assistance will not be available if the local is otherwise sending a delegate.
2. The registration fee to attend the event shall be waived and such delegate will be entitled to all rights and privileges in accordance with the sector by-laws.
3. Return travel shall be provided in the case of air or train travel and reimbursement of mileage in the case of automobile travel. The decision should be based on the most economical and reasonable method of travel.
4. Where possible and where a conference has any unused complimentary rooms, accommodation may be provided as well.

NEWLY ORGANIZED LOCALS

Some additional support may be provided in recognition of newly organized locals who have no collective agreement and no union dues being collected. Such support to be considered at the time of conference budget planning.
