

# **CUPE Ontario Convention Toronto, May 27-30, 2009**

## **Youth Camp**

**CUPE Ontario is offering a very exciting program for youth ages 10 to 14 at this year's convention. This new program will take youth on a learning journey about unions with lots of fun things built in. The curriculum will touch on labour history, benefits to workers and society as a result of unions, the social and economic contributions of unions and the place of unions in today's society.**

**Some of the subject areas will be Human Rights, Health and Safety, the Environment, Poverty and Child Labour.**

**This will also be the chance for these budding activists to learn about CUPE's structure and why the work you do in your Local and at Conventions is so important.**

**So if you are the parent or guardian of a youth (age 10 to 14) sign up now!! This is our opportunity to build for the future and engage our youth in the labour movement.**

**It will be the "cool" place to be at Convention.**
