

STOP HYDRO PRIVATIZATION

Let's keep it public. Make your voice heard.

PUBLIC MEETING IN GUELPH

Thursday, July 23rd, 2015

6:30 PM - 8:30 PM

University of Guelph
University Centre, Room 103
50 Stone Road East
Guelph, Ontario, N1G 2W1

Free parking available

Refreshments will be provided

Communities in Ontario are already concerned about high electricity rates, and Premier Wynne's hydro privatization plan will make this situation worse.

The Liberals used their majority in the legislature to force through an omnibus budget bill which includes hydro privatization, but Ontarians didn't get to have a say. Even with this new law, hydro still belongs to all of us and it's not theirs to sell.

Together, we can keep hydro public.
