

# STOP HYDRO PRIVATIZATION

Let's keep it public. Make your voice heard.

PUBLIC MEETING IN SUDBURY  
Wed May 20, 6:30 pm  
Sudbury Conference Centre, Small Hall  
66 Brady Street, Sudbury  
Refreshments will be available

Premier Wynne is making a short-sighted decision to sell Hydro One, but it belongs to all of us and it's not hers to sell.

Join Nickel Belt MPP **France Gélinas** and CUPE Ontario's president **Fred Hahn** at a public meeting on hydro privatization.

Electricity rates in Ontario are already too high. This privatization plan will make it worse. Bring your hydro bill and your questions to the meeting.
