

# Why CUPE supports the NDP

At the 2013 CUPE National Convention, delegates from all sectors and regions gave CUPE the mandate to do everything it could to elect an NDP government.

Canadians want change and believe that the NDP is the only party that is actually ready for change. That's why they've been leading in the polls for months. Tom Mulcair is the only leader with the leadership and experience to get the job done.

But don't just take our word for it, let's look at what each party says on the issues that matter most to Canadian families:
