7575 Kennedy Road South, Brampton
(outside the Justin Trudeau rally)**

Premier Kathleen Wynne, who is campaigning with Justin Trudeau, is moving ahead to sell Hydro One despite growing opposition from the public and from the 165 municipalities that have passed resolutions calling on the province to stop the sale.

Justin Trudeau's platform costing reveals \$6.5 billion in hidden cuts. When asked what they would cut, the Liberal party has said that "nothing is off the table."
