

Hi Sister Rennick. I would like to put forward my name to run for CUPE Ontario Trustee position. At this time, I do not have any specific election material however, I do want to put my name forward in order to run for the position. I am the past President of CUPE 1628, I am very knowledgeable in the role of the trustee to the Local and I am also knowledgeable in the role of Treasurer for the Local. I am a Union activist and an advocate. I believe that we are stronger force in the workplace because of what Union's stand for and what our beliefs are. I am a full supporter of CUPE Ontario and believe that it's role is highly important in CUPE. Please accept my wish to run for CUPE Ontario Trustee position. Thank you.
