

ONTARIO MUNICIPAL EMPLOYEES COORDINATING COMMITTEE

June 23rd, 2017

Join us at the next OMECC Area Meeting. We need you!

Across Ontario, municipal locals are experiencing common challenges at our workplaces and during bargaining and at our workplaces. Our members are pushing back against concessions and aggressive tactics from our employers. We need to support one another and advocate for the vital public services we provide in our communities.

We need each other. This is why OMECC is organizing area meetings through your Area Representative in the coming months.

About OMECC

OMECC represents municipal workers across Ontario in 195 Municipalities. There are 460 Collective Agreements across this Province and over 80,000 workers in this jurisdictional sector, making us the largest sector in CUPE Ontario.

OMECC is made up of a Chair, 10 Area Representatives, a Health and Safety Representative, an Injured Worker Representative and 3 Sub-jurisdictional Chairs (Paramedic, Library, and Energy-Utilities).

There is an Area Representative in your geographical area and we are asking that you contact your Area Representative so that they have your information. They will then be able to keep you informed on upcoming events. Your Area Representative will be organizing a meeting which you will be invited to so that you can share with others about the issues facing your local.

Contact your Area Representative

The contact information for your Area Representative is below. If you are not sure which Area Representative you fall under, please contact myself, OMECC Chair Ann Jenkins at (905) 818-8072 or email: jenkins@cupe5167.org and I will connect you directly with your Area Representative.
