My name is Alexandra Milliken, Recording Secretary with CUPE Local 4186 representing over 1000 School Board Workers in London Ontario. My interest in serving on the Executive Board stems from my passion for standards aimed at working conditions and quality of life for workers. Through my experience serving on multiple committees I have gained insight on the many challenges and opportunities unions tackle on an ongoing basis. As a union Steward I have worked diligently to represent members in my local. I have gained union experience from working on the following committees, Union Management, Joint Occupational Health and Safety, Bylaws, Political Action and JJE. I would be honored to contribute to CUPE Ontario as a member on the Board.

In Solidarity,

Alex Milliken
