Whether it's Strike Support, Standing for Fairness, Facing Down Fascists, or Lobbying for Long Term Care, I've had the pleasure of working with our amazing members across Ontario improving the lives of our members and all working people.

As we turn the tide of austerity, those who oppose the working class are turning up the heat. I ask for your support to continue bringing our voices to the table, to the front lines for

Our Union - Our Community
Our Ontario

Thank You!
