

E.P.I.C Carnival is a non profit organization established in 2015 by its original founder Jerrol Augustine aka "Stretch". It originated with a group formed in Durham and had the name Durham Mas. As the team evolved and our "carnival family" grew our vision shifted. Aiming at creating a more international appeal this year the band re branded to E.P.I.C Carnival. E.P.I.C Carnival stands for the elements that best describe our band. Energy. Passion. Imagination. Culture. Carnival.

From the beginning we have strived to offer a diverse experience of the Carnival and encourage participants from all walks of life to be a part of this grand event. We are passionate about creating gorgeous costumes and providing a positive experience of the Caribbean culture.

All through the season we educate the public about the carnival, attend community events, host fundraisers and offer volunteer opportunities to community youth. We are growing each year thanks to the support of our sponsors, volunteers, customers and team members. It takes the whole community to execute this world renowned grand production.

This year our theme is called EPIC FANTASY. We are taking our masqueraders into a fantasy world through carnival. Mythical creatures and EPIC ideas inspired our 2018 costumes. Our costumes are created and displayed at our MAS CAMP located at 730 Military Trail in Scarborough. The camp will host it's grand opening May 5th, 2018 and we will have a costume showcase that evening. The camp will remain open to customers until parade day.
