

Andrea Horwath and the NDP

CUPE Ontario President Fred Hahn, Ontario NDP leader Andrea Horwath & CUPE Ontario Secretary-Treasurer Candace Rennick

The Better Choice for Ontario

Visit CUPEvotes.ca for important details.

Wynne and the Liberals have broken our trust too many times.

Doug Ford has said he'll "privatize anything that isn't nailed down" and promises to cut \$10 billion from public services that will guarantee service cuts and lost jobs.

You don't have to choose between bad and worse.

Only Ontario's NDP will:

- Provide real drug and dental coverage for all Ontarians
- End hallway medicine & legislate a daily 4-hour minimum care standard in long-term care
- Fix the funding formula & invest more in our schools
- End privatization & bring Hydro One back into public hands
- Bring in an affordable child care plan for all families and free for families making \$40,000 or less
- Make corporations pay their fair share of taxes to protect our public services

Demand Better.
On June 7 - Vote NDP.
