2019 OSBCU

Workshop DESCRIPTIONS

- 1. SCHOOL BOARD SPECIFIC BARGAINING – (French/English) (FULL DAY)**

How bargaining Works, the legal framework for collective bargaining in the school board sector in Ontario and where we get our power as a union.
- 2. SCHOOL BOARD SPECIFIC MOBILIZATION – (French/English) (FULL DAY)**

In this workshop, members of local Mobilization Committees look at effective ways to engage members before bargaining begins, and throughout the bargaining process.
- 3. MEDIA TRAINING (President specific) (FULL DAY)**

This workshop will help Presidents communicate effectively with the media during bargaining. We'll learn how to keep the focus on our key messages, while speaking with clarity and confidence.
- 4. COMMUNITY ACTION – Delivering A Message (FULL DAY)**

In today's climate we need to think beyond job actions, Facebook, Twitter and rallies to have our voices heard in our communities. These actions all have their place but there are other ways to have our voices heard. This workshop will challenge participants to develop creative approaches to having our message delivered in the community.
- 5. CREATING PSYCHOLOGICALLY SAFE & HEALTHY WORKPLACES (Bilingual) (HALF DAY)**

What is a psychologically healthy and safe workplace? Learn to identify the psychological hazards in a workplace, and the role of the steward in eliminating psychological hazards.
- 6. RECREATIONAL CANNABIS AND IMPAIRMENT (HALF DAY)**

Has anything changed in the workplace because of the legalization of marijuana? This workshop will examine the representation of members regarding this issue.
- 7. PROFESSIONAL COLLABORATION (Bilingual) (HALF DAY)**

Collaborative professionalism between the various professionals in the school environment is one way of creating a space for constructive dialogue, leading to culture change and a better working environment. Following the 2014 collective bargaining in Ontario, the Association des enseignantes et des enseignants franco-ontariens (AEFO) adopted an innovative approach on collaborative professionalism involving all school board employee groups from French-language school boards. This workshop will demonstrate how AEFO and its partners, including CUPE, have moved ahead on the path to improved collaboration.
- 8. UNDERSTANDING MENTAL HEALTH (HALF DAY)**

Explore the steward's role in supporting and representing members dealing with mental health issues. Learn how to challenge stigma, and how to approach a conversation with a member about a possible mental health issue.

9. EVERYDAY MINDFULNESS (HALF DAY)

Focuses on the benefits of mindfulness for educators. Will cover the importance of self regulation, overcoming burnout and compassion fatigue with self care and practical mindful tools.

10. REPRESENTING MEMBERS IN FRONT OF MANAGEMENT (HALF DAY)

This module equips stewards to be proactive when meeting with management. Learn tips for effective meetings and build confidence by practicing meeting situations.

11. SOCIAL MEDIA (HALF DAY)

Facebook, Twitter, YouTube... How can they benefit my local? How are groups using social media for activism? How can I deal with people's resistance? What are the guidelines for using social media? Explore questions like these and get lots of hands-on practice in CUPE's Social Media workshop

12. ACCESSING INFORMATION (HALF DAY)

Public institutions, like school boards, have an obligation to provide certain information to the public under freedom of information legislation. This session introduces participants to the relevant legislation, what kinds of information can be accessed, what this information can be used for, how to request information, and how to appeal if your request is denied.
