Hello Presidents!

I wanted to add a note to your Convention 2021 First Call Package.

So much of our “normal” during this pandemic has changed, and our 2021 Convention will be a different experience for all. While the platform and the way in which the Convention will be delivered will be different, I can assure you that our team is working hard to ensure that you have the best convention experience.

Our convention will be virtual. As our convention is sponsored by CUPE Ontario, we are working with CUPE Ontario Officers and Staff in the development of the platform that will deliver the key elements that you have come to expect, but also ensures that we can hold elections as required by our bylaws, CUPE Ontario Constitution and CUPE National Constitution.

Your first call is coming to you in two forms, electronic and hard copy. Within the hard copy package we have included samples of forms and applications, however, within your electronic package, there are fillable documents that you may use as well.

Over the next few months, we will be providing you with updates regarding the convention. Your final convention package which will include registration information.

If you have any questions, or concerns, please do not hesitate to reach out to us. We are here to support your convention experience, every step of the way.

Take care, stay safe

In Solidarity,

Laura Walton

President, OSBCU
