

Join a canvass and help in getting the vote out for a labour-friendly government—the NDP. We need as many members as possible to join in local riding canvasses to help elect progressive candidates in target ridings.

Let's make sure people understand why we need a change to a government that prioritizes people over profit. Why we need the NDP.

The updated list of labour canvasses scheduled is as follows:

- **Thursday, Sept. 9th, 5:30pm – 8:30pm**
