

**CUPE ONTARIO  
BEV SMALE  
SCHOLARSHIP FUND**

## Background

The CUPE Ontario Bev Smale Scholarship Fund was established in the name of Sister Bev Smale. Bev was a long-time activist from the healthcare sector who became a staff member of our union.

Following her sudden passing in 2006, members and staff alike wanted to commemorate Bev and her many contributions to CUPE in Ontario.

Bev's great love was education, so it is appropriate that we remember our sister with the creation of a fund to assist and encourage workers to pursue CUPE education opportunities.

## **How the Fund Works**

The Bev Smale scholarships are offered to members from Locals affiliated to CUPE Ontario which are in good standing.

The primary focus of the scholarships is to support members pursuing and furthering education and training. Education encourages union engagement, mobilizes members to take action, and ultimately strengthens unions.

Eligible members may use the Bev Smale scholarships to attend CUPE education courses. CUPE Ontario offers two schools each year, one in the spring and one in the fall. Courses offered may vary, but each link back to CUPE Ontario's fight for fairness.

Available courses include Contracting Out and Privatization, Preparing for Bargaining, Introduction to Stewarding, Workers' Compensation, and Labour Law.

## Muriel Collins Scholarship

Sister Muriel was a member of the CUPE National Executive Board and a long-time activist and member of CUPE Local 79, representing inside workers for the City of Toronto. She was also a founding member of the CUPE National Rainbow Committee, now known as the CUPE National Racialized Workers Committee. She passed away on November 12, 2013.

The Muriel Collins Scholarship was created to encourage the participation of racialized workers at CUPE Ontario's Fall and Spring Schools.

## Livingstone Holder Scholarship

Brother Livingstone was a CUPE activist and Local 79 member who passed away in 2008. Livingstone was a member of the CUPE Ontario Executive Board, CUPE Ontario Education Committee, and Human Rights Committee (National and Ontario).

The Livingstone Holder Scholarship was created to encourage the participation of racialized workers at CUPE Ontario's Fall and Spring Schools.

## Lois Hill Scholarships

Sister Lois was a long-time CUPE activist and president of CUPE Local 778. The two external scholarships named in Lois' honour are worth \$500 each and are open to Aboriginal members, or the children of Aboriginal members of CUPE, to undertake a course of post-secondary studies for the upcoming academic year. Applicants must be accepted into a program of study at a public or union-based institute of post-secondary education.

## David Saunders Scholarship

Brother David was a former employee of the Toronto Zoo and a long-time dedicated member and employee of CUPE. Beginning in 1986, David served as a National Representative in Barrie, Toronto, Windsor, and Peterborough. He was also an Education Representative who believed deeply in the power of education. David passed away in October 2007. The David Saunders Scholarship sends members to the David Saunders Memorial Weeklong School named in David's honour.

## Jim Freeman Scholarship

Brother Jim was a lifelong labour activist, autoworker, and Durham Region Labour Council President known for his easy-going attitude, and Hawaiian shirts. Jim was deeply committed to advancing and including young workers in the labour movement, creating the first-ever Young Worker seat on a Labour Council executive board. The scholarship named in Jim's honour was established to encourage the participation of young workers at CUPE Ontario's Fall and Spring Schools.

## How It's Funded

CUPE Ontario and our members directly contribute to the Bev Smale Scholarship Fund. \$5.00 is placed in the fund with every paid registration to an educational event in our province.

The fund also relies on the generous donations of a number of National Staff who make voluntary contributions from each paycheque.

Locals who want to contribute to the fund or to create an endowment to offer a scholarship in the name of a Local activist should contact CUPE Ontario directly for more information.
