

Greetings Library Local and Unit Leaders,

Your CUPE Ontario Library Workers' Committee has two important messages for you to share with your Members.

First, please share this link to a brief library health and safety survey. We hope for participation across all sizes of library locals. The survey is open until **March 15, 2026**.

[Health and Safety Library Locals Survey](#)

Secondly, our annual CUPE Ontario Library Caucus Day is Tuesday, April 7, 2026. Our theme is “Library Workers Empower People.” The library caucus is the first day of the CUPE [Ontario Municipal Workers Conference](#), April 7-11.

The conference is in Ottawa this year at the Delta Hotel, 101 Lyon St. N. We encourage you to send delegates. It is an opportunity to discuss our common strengths and issues. Our guest speaker is Pete Bombaci of [Genwell](#). Pete will speak on the value of human connection in the library context. During the Local Reports sessions at caucus, we hear from library workers across the province about their bargaining wins, success stories, struggles, type of grievances, precarious work and more. We hope to see you in Ottawa on April 7.

Please reach out to our committee chair, Kimberley Burgess, if you have any questions: librarychair@cupeomw.com.

In solidarity,
CUPE Ontario Library Workers' Committee
