## DELEGATES AND VOTING

- a) There shall be accredited voting and non-voting delegates. Accredited delegates are recognized as members who attend from their own local union and that the local union has paid the registration expenses of the member. Accredited voting delegates must be members of locals affiliated with CUPE Ontario.
- b) There shall be no restriction on the number of attendees from each local union, but each local will be limited to the number of voting delegates as follows:

Number of Local Members	Voting Delegates
1 to 100	2
101 to 250	3
251 to 400	4
for each additional 150 members	1 additional delegate
District Council	1

- c) Locals, which represent both Health Care and Non-Health Care members, shall be allowed voting delegates based only on the number of emergency medical workers in their local membership using the above formula. Emergency medical workers shall be defined as paramedics/communications officers and those workers who provide direct support services for ambulance services.
