

RALLY FOR THE MORATORIUM

SAVE OUR WATER  
SAVE OUR BAY

## STOP DUMP SITE 41

It's not too late to stop this imminent threat to Georgian Bay and the purest groundwater in the world.

Tiny Township cottagers, First Nations people and the local agricultural community are calling for a one-year moratorium on construction of this unnecessary, uneconomic and dangerous dump.

Now is the time to tell Simcoe County councillors that we expect them to address the serious concerns raised by the Environmental Commissioner of Ontario and the Community Monitoring Committee. This cannot be done after the fact.

Come to the rally July 25, 1:30 pm at Site 41

Speakers:

- Chief Rod Monague Jr. of the Beausoleil First Nation
- David Crombie, former Toronto Mayor and federal cabinet minister
- Maude Barlow, first Senior Advisor on Water to the United Nations, and Council of Canadians Chairperson
- Timmins-James Bay MP Charlie Angus, one of the leaders of the fight to ban Toronto garbage from the Adams Mine
- and more to be announced

Emcee: our one and only Dale Goldhawk

*Fill a car, bring your entire household – as well as a water glass to toast the best groundwater in the world*

Site 41 is only 15 km from Georgian Bay. The threat to the bay's beautiful waters is three-fold:

1. Contamination of the underlying aquifer causing a toxic plume to leave the site
2. Surface water contamination infiltrating the Wye River system
3. The toxic leachate pumped out of the site has to be treated: one plan is to tanker-truck it to the Midland sewage treatment plant. The problem is that routinely, when there's a storm (just when there's the most leachate from the dump), the plant is overwhelmed and releases untreated effluent to the bay.

In the face of these threats, a one-year moratorium is only reasonable. This is about our families and their future. Let's not take any chances.

Can't make the 25th? Protesters have been camped out for over two months - drop by any time and show your support. Sign the online petition on Facebook: [www.facebook.com/group.php?gid=2343037814](http://www.facebook.com/group.php?gid=2343037814). Call or write to your Simcoe County councillor

Participating groups: *Federation of Tiny Township Shoreline Associations, Anishinaabe Kweag, Stop Dump Site 41, Council of Canadians* ([www.canadians.org/site41](http://www.canadians.org/site41))
