

# SOLIDARITY RALLY

# MASSEY CENTRE IN CRISIS!

Join us for a community rally to support the front-line community support workers in the 11th week of their strike.

They perform a valuable social service, but the government isn't funding them. They've had their wages frozen for ten years! Let's stand with them and the young moms at Massey Centre.

Tuesday, July 6th, 2010  
3:00pm to 5:00pm  
1102 Broadview Ave, Toronto

Canned donations appreciated
