Dear Brother Fred and Sisters and Brothers in CUPE Ontario.

I am writing on behalf of the executive of CUPE Nova Scotia to bring greetings of solidarity to the members and executive of CUPE Ontario.

First, I would like to take the opportunity to thank Brother Fred, Sister Candace as well as the other NEB executive board members from CUPE in Ontario Hurley, Giroux and McClean for raising the austerity measures and the outright government attack on the labor movement in Ontario at the recent NEB meeting.

Fred I am very pleased the board stood in solidarity with our members in Ontario and supported the resolution brought to the board. Although the struggles may seem insurmountable at times it is important, I believe, that we recognize our solidarity and the strength of our 620,000 members from across the country. We have a strong tradition in our union of standing in solidarity and supporting one another during difficult times. The 18,000 members of CUPE in Nova Scotia will stand in solidarity with your members in Ontario as we fight the struggles together.

Our solidarity and strength is something that no government in this land can never legislate away, and never will because we are strong, we are united, and we support one another from one coast to the other in our union.

Brother, we are in solidarity and if there is anything, we can do to support our Sisters and Brothers in Ontario please do not hesitate to ask.

In sol
On behalf of the executive and members of CUPE in Nova Scotia
