Today, in British Columbia (BC) there is a **groundswell** of support for affordable child care. It's part of a community plan for a public system of early learning & child care.

Beginning in 2010.....

The Coalition of Child Care Advocates of BC and the Early Childhood Educators of BC started a conversation with thousands of people. That province-wide dialogue led to more than 6,000 organizations and individuals endorsing their "Plan" for an integrated public system of early learning & child care.

YOU CAN FIND OUT HOW THEY DID IT.
