CUPE Ontario 52nd Annual Convention
Toronto Sheraton Centre
Youth Camp

CUPE Ontario is offering a very exciting program for youth ages 10 to 14 at the 2015 convention. This program will take youth on a learning journey about unions with lots of fun things built in. The curriculum will touch on labour history, benefits to workers and society as a result of unions, the social and economic contributions of unions and the place of unions in today's society.

This will also be the chance for these budding activists to learn about CUPE's structure and why the work you do in your Local and at Conventions is so important.

So if you are the parent or guardian of a youth (age 10 to 14) sign up now! This is our opportunity to build for the future and engage our youth in the labour movement.

It will be the "cool" place to be at Convention.

Please complete and return registration form
