

URGENT APPEAL:

July 16 Support Rally for para-transit drivers at Red Cross

Dear Sisters and Brothers, on Friday July 16, please join us in solidarity with 42 newly organized CUPE members on strike at the Red Cross to achieve a first collective agreement.

These workers provide a vital service to the Peel / Halton community driving ambulatory people requiring dialysis, medical appointments as well as seniors and intellectually challenged adults attending day programs. They deserve our support!

The majority of Red Cross drivers are paid less than \$13 per hour, far less than drivers at Transhelp in Peel Region.

In Solidarity:

Fred Hahn – President

Candace Rennick – Secretary -Treasurer

SHOW YOUR SUPPORT! JOIN THE RALLY!

Bramalea City Centre, 10 Peel Centre Drive, 12:30PM, Friday July 16, 2010
