RE: Labour Day Picnic

On Monday September 6, 2010, “Labour Day”, we are sponsoring a Family Fun Day for all children and families of all ages at the North Bay Waterfront. We will be offering a Train or Carousel ride, various games and activities, music, and, of course, food. Hamburgers and Hot Dogs are traditional, along with juice, soda pop and candy.

As you know, all this costs money. Various Unions and other Labour Groups have already donated monies in various amounts, so that the children and their families will have a meaningful and enjoyable time. We are hoping you will join in.

We are asking you to support this event as best you can. Anything you have to offer will be greatly appreciated, whether it is food, drinks, money, manpower or whatever.

Thanking you on behalf of the North Bay & District Labour Council,

Sincerely yours

Henri Giroux, President
