

*Season's Greetings*

City Council is now discussing  
the 2008 budget that may result in cuts  
to the services we provide you.

We want to continue to provide the  
services that you have come to rely on.

Please call the mayor and your city  
councillor to ask what service reductions  
may affect you.

*Best wishes for the holidays and in the  
New Year.*

From your public service employees

Call your councillor and ask what services you  
will lose with service cuts
