September 2014

Attention: All Local Presidents representing Trades workers

A Trades Conference is to be held from November 11th to 14th at the Crowne Plaza, Niagara Falls. This year's Trade Conference will build on last year's initiatives we set forward.

It is very important we continue the work in the Trades of CUPE. The Trades Committee has met over the last year to continue to keep members updated. This year's conference will focus on the College of Trades, Apprentices and Contracting-Out, and Contract Language.

Please ensure your Local fills out the recent survey on Trades. It is important that each Local send representatives to the Trades Conference along with their recent Collective Agreements.

In solidarity,
